EDUCATION

Chittagong University of Engineering and Technology (CUET)

Feb 2020 – Aug 2025

B.Sc. in Computer Science and Engineering

CGPA: 3.26

Undergraduate Thesis: Detection and Recognition of Text in Low-Light Natural Scenes

Proposed an end-to-end pipeline for low-light scene text recognition using EnlightenGAN-based enhancement with custom post-processing, CRAFT detection, and OCR models to improve character error rate compared to existing methods.

EXPERIENCE

Junior Software Engineer

Jan 2026 – Present

Tirzok Private Limited · Full Time

Dhaka, Bangladesh · On-site

- Developed **dynamic reports** with **report preview** for the **Distributed Management System (DMS)**.
